¹ If you request a restriction on the processing of personal data as a representative of the data subject, please attach to this request the form marked "Annex to data subjects' requests – Representation of the data subject".

Notice

The Administrator shall correct or supplement the relevant personal data based on this request, without undue delay, but no later than one month from the receipt of this request. If necessary, this period may be extended by a further two months due to the complexity and number of applications. If the Administrator does not correct or supplement the data according to this request, the data subject is entitled to file a complaint with the supervisory authority (Office for Personal Data Protection) and to seek judicial protection. If the Administrator has reasonable doubts about the identity of the individual making the request, he may request additional information necessary to confirm the identity of the data subject.

If the Administrator concludes that the applicable right does not suit the Applicant, he is obliged to justify this conclusion in writing and duly, within the above-mentioned period.

The Applicant further acknowledges that in the event that his personal data are processed for scientific, historical, statistical or archival purposes in the public interest, his right to rectification under Article 16 of the General Regulation may be limited, based on the law of the European Union, or the law of the Czech Republic, but only if its law would prevent or seriously jeopardize the fulfilment of the special purposes of the Administrator.
